Are there specific system requirements for MoversPay?

Anita L - 2020-12-02 - Getting Started

There are some system requirements that we recommend for MoversPay.com.

Web Browser:

- Latest version of Google Chrome

Operating System:

- macOS X with macOS 10.9 or later
- Windows 7 or Newer
- Ubuntu 12.04 or higher

System:

- An internet connection - broadband wired or wireless 4g/LTE
- Processor: Single Core 1ghz or higher, dual core recommended
- RAM: 4gb or higher
- 1280 x 1024 screen resolution (super VGA standard or SVGA)
- 24-bit color (required for shading, colors, transparency, etc.)
