

## **What if I need gross amounts rated out and don't want to apply a discount?**

Anita L - 2020-12-08 - [Rating a Shipment](#)

If you need gross figures for your rating, this is accomplish by simply entering "0" in your LHS (Linehaul) Discount, as well as your SIT Discount, if applicable. By entering 0% for your discount, MoversPay will automatically calculate the inverse (100%) and provide your rating line items and as desired gross amounts.
