

What mileage guide is used in rating my shipments?

Anita L - 2020-12-03 - [Rating a Shipment](#)

Per the 400NG tariff, Rand McNally 19 is the mileage guide that is used.

However, if the mileage calculation needs to be completed between two points with the same zip 3's, (first 3 digits of the zip code) PC Miler 34 is applied in those situations.
