MoversPay has launched the International Tariff (IT) rating on our site

2021-06-21 - Daycos Admin - Product News

MoversPay is happy to announce that you can now rate International Tariff shipments on [MoversPay.com](https://moverspay.com). The IT tariff is currently in beta and live right now. We are very excited to expand the tariffs available on [MoversPay.com](https://moverspay.com) and look forward to any feedback you may have!
