

What's New in MoversPay 1/8/2021

2021-01-08 - Daycos Admin - Product News

See below for the most recent updates and enhancements on [MoversPay.com](https://moverspay.com).

- 12/22/2020 LHS and SIT discounts fields now allow decimal point variables. (User feedback request)
- 12/17/2020 The 2021 400NG Domestic Tariff was released to production on MoversPay.
 - **Note:** For billing rules on same Zip 3s. MoversPay utilizes current mileage calculations as future mileage changes are not available.
- 12/15/2020 [MoversPay.com](https://moverspay.com) was optimized to work on different form factors. MoversPay now works well on your mobile devices including phones and tablets.
